

SENIOR PRODUCT DESIGNER

Admir Kurtović

For 8 years, I've been creating things that make sense, that feel great to use, and that deliver real value to people.

EXPERIENCE

LawnGuru / Lead Product Designer

Oct 2025 - Present · Remote

- Design the end-to-end experience for a US home services marketplace, from quote requests and provider comparison through booking, payment, and communication.
- Simplify complex service flows and improve pricing transparency, building scalable design patterns that move key business metrics like conversion and provider engagement.
- Run an agentic design workflow (Figma MCP, Claude Code) for large-scale system execution, including a single-pass audit and update of 670+ component variants.

Social Explorer / Senior Product Designer

Jul 2024 - Oct 2025 · Sarajevo

- Designed and launched Signal Aviation, an end-to-end AI platform enabling airlines to evaluate market opportunities across demographics, competition, and regulatory factors, securing early adoption by 3 major airline clients.
- Redesigned AARP's information accessibility platform for older adults, transforming complex datasets into intuitive interfaces that increased engagement by 45% and reduced support tickets by 35%.
- Helped build and maintain the Social Explorer design system, reducing design-to-development handoff time by 30%; documented design decisions in Jira and Confluence, decreasing QA cycle time by 25%.

Bloomteq (ex-Ankora Inc.) / Senior Product Designer

Feb - Jul 2024

- Enhanced the AQVC platform's investor experience by redesigning portfolio tracking and opportunity evaluation flows, improving user retention by 40%.
- Led the complete AQVC branding redesign, including landing page and motion assets in Jitter, driving a 60% increase in platform sign-ups within the first quarter.

Ankora Inc. / Product Designer

Jun 2022 - Feb 2024 · Sarajevo

- Developed design systems for the Cloaksy and Elevate platforms, improving design consistency by 50% and accelerating developer handoff across multiple teams.
- Led end-to-end design from research to final UI for web and mobile, increasing task completion rates by 35% across admin and general user roles.

EatApp / UX/UI Designer

2021 - 2022 · Sarajevo & Dubai

Ankora Inc. / UX/UI Designer

2019 - 2021 · Sarajevo

Authority Partners / UX/UI Designer

2018 - 2019 · Sarajevo

SKILLS

User Research

Uncovering user needs, goals, and motivations. Generative and evaluative research, listening, experience mapping, personas.

Product Thinking

Never losing sight of the bigger picture. What problem are we actually solving? Journey mapping, jobs to be done, service mapping, business acumen.

Interaction Design

Crafting logical and delightful flows that let people accomplish their goals. Flow diagrams, high and low-fidelity prototyping, micro-interactions.

Visual Design

Using typography, colour, and layout to create meaning and aid understanding. Design systems, gestalt principles, visual hierarchy, accessibility.

Collaboration & Leadership

Cross-functional collaboration, stakeholder alignment, knowledge sharing, mentoring, documentation, project ownership.

Technical

HTML & CSS, design-to-development handoff, component libraries, accessibility (WCAG), analytics-driven iteration.

TOOLS

Figma (incl. MCP-driven agentic workflows), Claude Code, Cursor, Framer, Storybook, Adobe Creative Suite, Lottie, Jitter, Whimsical, Miro, Jira & Confluence, Google Workspace, Strella, ChatGPT.

EDUCATION

Diploma in UX Design

UX Design Institute
